Acknowledgement and Required Signatures

After the caregiver has documented his/her time and activity, the recipient must draw a line through any dates and times he/she did not receive services from the caregiver. Review the completed time sheet for accuracy before signing. It is a federal crime to provide false information on billings for Medical Assistance payments. Your signature verifies the time and services entered above are accurate and that the services were performed as specified in the Care Plan.

RECIPIENT/RESPONSIBLE PARTY SIGNATURE	DATE	CAREGIVER SIGNATURE	DATE
---------------------------------------	------	---------------------	------

Timesheets must be submitted by email, fax, mail or in person within thirty (30) days after the first original date of service to which the timesheet relates. Timesheets received after 30 days will be held for confirmation of payment to SHC before paycheck is issued.
