GIVING THANKS

It's the time of year when we celebrate the holiday of Thanksgiving, a time to reflect on the many things we are thankful for. The Superior Home Care Staff would like to take this opportunity to thank all of our clients for choosing us as their Home Care Agency. We are honored that you have put your trust in us.

We are also grateful for our employees who do such a wonderful job of caring for our clients. Their patience and compassion are key to making our clients feel well cared for and safe in their homes.

Clocks turn back an hour at 2 AM on Sunday, November 6th, marking the end of Daylight Saving Time.

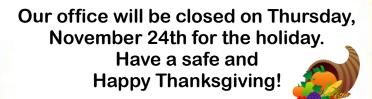

Our flu season is around the corner. And while the timing varies in different parts of the country, most flu activity - influenza-like illness, hospitalizations, and sadly even deaths - will occur between October 2016 and run into May 2017.

Every year is a new year when it comes to flu season presenting its own uniqueness with regards to being earlier, running later, a milder or heavier season. New flu vaccines are released each year to keep up with rapidly adapting flu viruses. There is one constant from year-to-year that does not change - influenza is a respiratory infection that can cause serious complications, particularly to young children, older adults and people with certain medical conditions. Flu shots are the most effective way to prevent influenza and its complications.

Flu shots are available now and experts along with The Centers for Disease Control and Prevention - are recommending receiving the flu vaccine as soon as possible. After all, it takes about two weeks after the vaccination is administered for our body's immune system to fully respond.

It is important we start taking action now to make sure we keep ourselves, children, and loved ones healthy and flu-free.

Well Thanksgiving is just around the corner!

Sandy's Recipe Box Candied Yam Cupcakes

- 4 eggs
- 1 cup canola oil
- 1 cup white sugar
- 1 teaspoon vanilla extract
- 2 cups all-purpose flour
- 2 teaspoons baking powder
- 1 teaspoon baking soda
- 2 teaspoons ground cinnamon
- 1 teaspoon salt
- 3 ounces cream cheese
- 1/2 cup butter, softened
- 1 teaspoon vanilla extract
- 2 cups confectioners' sugar

Place a steamer insert into a large saucepan, and fill with water to just below the bottom of the steamer. Cover, and bring the water to a boil over high heat. Add the yams, recover, and steam until very tender, about 15 minutes. Remove yams from steamer and allow to cool slightly.

Preheat oven to 350 degrees. Line (2) 12 cup cupcake tins with paper liners. Place eggs, oil, sugar, vanilla extract, and cooked yams in a large bowl; beat with an electric mixer until light and fluffy. Sift together flour, baking powder, baking soda, cinnamon, and salt. Stir dry ingredients into yam mixture, mixing just until combined. Pour batter into paper liners, filling 2/3 full.

Bake in preheated oven until a toothpick inserted in the center of a cupcake comes out clean, 17 to 20 minutes. Cool in pans for 5 minutes, transfer to wire rack to cool completely.

Beat together cream cheese and butter until fluffy. Beat in the vanilla extract and confectioners sugar; mix until smooth. Frost cool cupcakes with cream cheese frosting.
