

News from DHS

Effective **October 1st, 2024**, the following family members can serve as a paid personal care assistance (PCA) worker for Minnesota Health Care Programs (MHCP) members:

- **Parents of minors**
- **Stepparents of minors**
- **Legal guardians of minors**
- **Spouses**

Additionally, beginning October 1st, 2024, the Minnesota Department of Human Services will begin transitioning people from PCA services to Community First Services and Supports (CFSS). The previously listed family members will then also be able to serve as a paid CFSS worker for MHCP members.

The Department of Human Services plans to begin CFSS implementation on October 1st, 2024. People who receive services through the PCA program or CSG benefit will transition to CFSS during their regularly scheduled annual reassessment.

Please call our office @ 952-898-4911 with any questions.

Our Office will be closed
Monday, September 2nd, 2024
in observance of Labor Day.

Have a very safe and
Happy Holiday!

**New Address or
Phone Number?**

Please call our office
when you change your
phone number or move. We must have
your current contact information on file
at all times, per state guidelines.

Vehicle Tab Renewal Kiosk!

Dakota County and the State of Minnesota are making it easier to purchase your annual vehicle tabs. No more waiting in line. It's now as easy as getting cash from an ATM.

Bring your tab renewal notice to one of 16 Cub Foods locations to use new DVS Now kiosks. Simply scan your notice and follow the touchscreen prompts to have your tabs printed instantly. If your vehicle requires new plates instead of tabs, the kiosk will direct you to a license center.

Even if you don't have your renewal notice, you can still use the kiosks. You'll need to enter your address, license plate number, insurance information, county where the vehicle is kept, account ID or house number, and the last three characters of your Vehicle Identification Number.

The kiosks accept credit or debit cards. In addition to the renewal costs, there is a \$4.95 service fee. There is also an additional processing fee if you pay by credit card. This fee is similar if you choose to renew online or at a motor vehicle office.

The Minnesota Department of Vehicle Services launched the program last year. Dakota County partners with the state on two locations - Apple Valley and Bloomington - because they are near county license center locations. Another location in West St. Paul isn't affiliated with the county because it's closer to a Ramsey County license center.
